Notes/comments/declaration

In the event of insured persons who are married or living in a registered partnership, an advance withdrawal is permissible only with the written agreement of the spouse and/or registered partner. The signature of the spouse and/or registered partner must be notarised or witnessed by a member of HR services and confirmed accordingly.

We require single persons and persons not living in a registered partnership to provide a current certificate of civil status. This can be obtained from your relevant registry office.

I hereby confirm that I have read and understood the information sheet on advance withdrawals and that the advance withdrawal will be used for residential property that I shall be using personally.

I am aware that I cannot pay any tax liability incurred due to the advance withdrawal from the sum withdrawn.

Furthermore I consent for the Swisscanto Flex Collective Foundation to submit the declaration to be included as a note in the land register. The fee for entry and cancellation of the restriction on disposal will be incurred by myself.
